## Mass

Next week the fourth grade class will be participating in the Mass. We will be doing the readings and bringing up the gifts.

The students participating in Tuesday's Mass are Kortney, Wyatt, Karlee, Levi, Nicole, and Cade. Kortney, Wyatt, Karlee, and Levi have reading parts. Nicole and Cade will be bringing up the gifts.

The students participating in Friday's Mass are Derek, Emma, Brant, Ashley, Ethan, and Maggie. Derek, Emma, Brant, and Ashley have reading parts. Ethan, and Maggie will be bringing up the gifts.

I gave students their reading parts earlier this week. Please practice them at home.

Come and join us next week for Mass. Hope to see you there.

## Potluck

Next Wednesday is the back to school Potluck dinner. It starts at 6:00 p.m. and will be held in the parish hall.

Every family is asked to bring two covered dishes to share.

After dinner everyone is welcome to come over and have a look around our classroom and school.

I look forward to visiting with you when you stop by.

## Fourth Grade Learning

In Religion this week we started learning the Joyful Mysteries. We are starting the year out by studying the rosary.

In Math we took our pretest and then learned how to find missing addends in additions problems. We also covered sequences, and digits, as well as, the commutative and identity properties.

In Reading we took our pretest.

In English learned about declarative and interrogative sentences.

In Social Studies we started learning about the Northeast states. We read about the Northeast's climate and landforms.

In Science we started our chapter by examining the skin of an onion under a microscope. We were able to see the outline of the cells that make up the onion skin.
