St. Gregory School Info.: April Virtue of the Month – Honesty This month, we have been practicing the virtue of honesty. When we think of honesty, we usually think about things we are not supposed to do, like lie or cheat. However, practicing honesty also includes telling the truth in other situations. Honesty looks like saying you're sorry when you hurt someone. It looks like being honest with yourself when you're struggling with something, and asking for help.

Dear Jesus, honesty takes a lot of courage to practice! It is so much easier to go through life and not face the truth. We don't want to admit when we've hurt someone. We don't want to admit when we're too helpless to overcome an obstacle. Grant us the grace to be honest today and to enjoy the freedom that comes from knowing and admitting the truth! Amen.
