St. Gregory School Info: October Virtue of the Month – Responsibility This month we have been practicing the virtue of responsibility. Responsibility means fulfilling our duties and accepting the consequences of one's words and actions whether they were intentional or unintentional. As we continue to work on the virtue of responsibility, let's think about our responsibilities toward our neighbors. We are all responsible to help each other grow in holiness. God made us to live in community, and we are supposed to be a good example and an encouragement to each other. *Dear Jesus, please help us today to be good examples to all those we come into contact with. You placed them in our lives so that we can help them to become holy, and so they can help us in the same way. Help us to be responsible and encourage others towards being the best version of themselves. Amen.*
